ALUMINIUM WALL MOUNTED SCREEN ASSEMBLY INSTRUCTIONS

Assembly should be carried out by a qualified person. Incorrect assembly may lead to the screen falling and causing injury or damage. As wall materials vary, wall anchors have not been included. For advice on suitable screw systems, contact your local hardware store.

STEP 1

Remove screen from box and carefully peel off all protective film

STEP 2

Attach your wall anchors

STEP 3

'Hook' your screen onto the wall anchors

STEP 4

Tighten screws to ensure your screen is safe and secure
